

SIREN DEVELOP THE BUST

SHE'S A QUEEN

SHE'S A SIREN

is an expression that is always heard at sight of a well developed woman. If you are flat chested, with BUST undeveloped, a scrawny neck, thin, lean arms—the above remark will never be applied to you. "SIREN" wafers will make you beautiful, bewitching. They DEVELOP THE BUST in a few weeks from 3 to 6 inches and produce a fine firm, voluptuous bosom. They fill out the hollow places. Make the arms handsome and well modeled and the neck and shoulders shapely and of perfect contour.

Send for a bottle today and you'll be pleased and grateful. "SIREN" wafers are absolutely harmless, pleasant to take and convenient to carry around. They are sold under guarantee to do all claim or MONEY back.

Price \$1.00 per bottle. Inquire at good drug stores or send DIRECT to us.

FREE During the next 30 days only—we will send you a sample bottle of these beautifying wafers on receipt of 10 cents to pay cost of packing and postage if you will mention that you saw the Advertisement in this paper. The sample alone may be sufficient if defects are trivial.

PULL LION'S TOOTH

Requires Nine Men for the Difficult Task

SUFFERING WITH TOOTHACHE

Beast Had to be Roped to Bars of Cage—While the Veterinary Pulled Tooth Which Was Very Badly Ulcerated.

NEW YORK, June 17.—Extraction of a lion's tooth becomes laborious when it requires eight men for the operation beside the man who pulls the tooth. This was an incident at Coney Island yesterday when Vendredi, a large African lion, was relieved of one of his largest teeth because of toothache by Dr. Henry Amling, Jr., a New York veterinarian. Vendredi had been in ill temper for several days and had refused to eat. When a lion refuses food, it is a positive indication that the animal is suffering from something of an aggravating nature. When the attention of the manager was called to the strange behavior of the lion he knew at once from his years of association with wild beasts, that Vendredi was suffering from toothache. In order to examine and extract the tooth the lion had to be roped to do which required the service of eight men. Ropes were thrown around the dangerous parts of Vendredi's body, including his legs and in this helpless condition the lion was pulled close to the bars of his den. With a thick stick its mouth was pried open and upon this piece of wood Vendredi chewed until a pair of pliers were inserted behind the back teeth so that he could not close his mouth, while the veterinary pulled the tooth. A pair of forceps was used for the removal of the tooth, which had been ulcerated at the root and must have caused the lion much suffering.

DECIDE YOURSELF.

The Opportunity Is Here, Backed By Astoria Testimony.

Don't take our word for it.
Don't depend on a stranger's statement.
Read Astoria endorsement.
Read the statements of Astoria citizens.
And decide for yourself.
Here is one case of it:
J. Pedersen, longshoreman, living at 613 Commercial street, Astoria, Ore., says: For 20 years I was afflicted with kidney trouble. I suffered a great deal from pain in the small of the back and was continually tired and nervous. I had occasional headaches, and also a blurring of the eyesight. Every time I took cold it settled in the kidneys and added to my troubles, the secretions at such times being irregular and containing sediment. My rest was much disturbed at night on this account. I began taking Doan's Kidney Pills procured at Charles Rogers & Son's drug store and found unexpected relief for which I am very thankful.
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.

"It gives me pleasure to speak a good word for Electric Bitters," Mr. Frank Conlan of No. 436 Houston street New York. Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at Chas. Rogers & Son's drug store. 50c.
